

Meet your health match

Lisa Suchy

Co-founder, Executive Vice President

Lisa Suchy, co-founder of wellclicks, has been with the organization since June, 2007. She is intrigued by the industry's motivation to promote consumer engagement in healthcare and the opportunity to positively impact the health and wellness experience.

Lisa's professional background includes relationship management roles with Ridgeview Medical Center's Foundation, Wells Fargo Business Banking and Northwestern Mutual. She graduated magna cum laude from the College of St. Catherine with a degree in Business to Business Sales.

Lisa is an avid consumer of health and wellness and enjoys supporting organizations that promote healthy individuals and communities. Her current interests include yoga, boot camp and spiritual growth.
